

# Lecture 15

①

The first of our problem solving sessions

Aims

- Work in groups on some normal distribution problems. Present results (25 minutes)
- Discuss section 3.1 (10 minutes)
- Work in groups on some problems in ch 3.1. (15 minutes)  
Present results

## Normal Distribution Problems

Exercises in Ch 1.3 eg 1.86, 1.92, 1.94, 1.98, 1.101,  
Mostly from 1.92 - 1.110 1.104, 1.105, 1.107

## Getting Data

Everything in Ch 3.1 except 3.1, 3.3 which are H/W.
