

Lecture 30

①

Problem solving session concentrating on inference for

- difference between two means
- difference between two proportions.

As per usual we will work problems together and then discuss solutions

| <u>MWF 11-12</u> | | <u>MWF 2-3</u> |
|------------------|-------------------------|----------------|
| 7.109, 7.1176 | } Discussed in class | 7.107, 7.110a |
| 8.44, 8.50 | | 8.51, 8.79 |
